Thank you for your support of EcoLandscape California!

EcoLandscape California is a non-profit public benefit corporation and is not organized for the private gain of any person. It is organized under the Nonprofit Public Benefit Corporation Law for charitable purposes. The specific purpose for which this corporation is organized is (but not limited to): To conduct educational and research programs for landscape professionals and the general public on the benefits of designing, installing and maintaining ecologically sustainable landscapes. The corporation will be a vehicle for grants and funding programs to promote these educational and research activities.
